

AMERICANS FOR PROSPERITY

No Climate Tax Federal Pledge:

I, Linda Goldthorpe, pledge to the taxpayers of the state of Michigan and to the American people that I will oppose any legislation relating to climate change that includes a net increase in federal government revenue.

Furthermore, I will oppose any legislation relating to climate change that would expand the size or scope of government in any way, and I will oppose any legislation relating to anything at all that includes a net increase in federal revenue. We need less government, not more.
