Dear Rep. McMorris Rodgers Staff,

I am writing to tell you about Americans for Prosperity's No Climate Tax Pledge. The pledge simply states that you will "**oppose any legislation relating to climate change that includes a net increase in government revenue.**" The pledge is worded this way because it is important to focus on the tax issue, as climate change should not be used as a guise to grow government.

The pledge has already attracted the bipartisan support of more than **600 lawmakers** and candidates on the federal, state and local levels.

Prominent signers include:

- **U.S. Senators** Thune, Inhofe, Vitter, Coburn, Roberts, Brownback, Burr and Wicker
- **U.S. House Leader** Boehner, Whip Cantor, Chairmen Pence, Sessions and Price (54 reps. total)
- **Candidate Support:** 147 congressional candidates—including 45 primary winners who will be on the November ballot

If you sign the pledge I will be happy to issue a press release to your local media and your office praising you for doing so. Please find the pledge attached and I look forward to working with you on this issue. Due to our tax status, we are unable to endorse any candidates for elected office.

Best,

James Valvo
